MISSED CLASSES / MAKEUPS

ART & DESIGN - There are **no makeup classes offered** for art and design students who miss studio time. The Independent Studio and Portfolio Development programs **do not operate on per-class basis; rather, you pay an annual flat rate**. It is up to you how much value you get for what you pay based on your attendance. If you show up at the Studio for the maximum time that is offered, then you will more than get your money's worth. Your tuition fee also includes supplies (with exceptions).

FOUNDATIONS & COLLEGE PREP - The **Foundations Workshops** and **College Prep Intensives** are comprised of presentation time, individual participation and group discussion; therefore, **attendance for all hours of each session** is mandatory and necessary for your success. If you miss part or all of a meeting and require a private makeup session, you will be charged a minimum of **\$200 for up to 2 hours** and, after that, you will be billed at Dianne's hourly rate (\$120/hr).

NO WAITING ROOM / DROP OFF ONLY

For a variety of reasons, **Dianne cannot accommodate anyone other than enrolled students in the Studio during sessions**. There is **no Waiting Room** so you will need to drop off the student and pick them up later if they do not drive themselves. In addition to the space issue, it ensures that students are free to develop the sense of camaraderie and confidence that comes from being with their peers, creating and learning together. Even though your child may not be affected by your presence, other students might, so we thank you for your cooperation in this matter. If it is not practical for you to drive back home, there is much to do in downtown Duvall. There is a public library, coffee shops, restaurants, and grocery stores. Weather permitting, you could take a long walk in Dianne's neighborhood or on the lovely Snoqualmie Valley Trail.

If younger siblings are with a parent during pickup time, please keep them with you standing by the door. Dianne cannot have non-students moving through the studio. There are sometimes dangerous tools and fragile artwork laying around and we need to keep your little ones and the treasured artwork safe.

Due to CoVid precautions, Dianne will no longer be able to offer water, coffee or tea. Students should bring their own water bottle and can bring a **snack or meal for themselves if they would like**. Please advise us of any severe allergies or concerns.

ARRIVAL / DEPARTURE TIMES

Please observe the start and end times of Open Studios and College Prep Workshops. Dianne often has appointments or other commitments afterwards so please do not stay beyond the designated time frame unless it has previously been arranged.

PARKING / DIRECTIONS

The address of the Studio is: **13918 283rd Ave NE, Duvall 98019** <http://goo.gl/maps/z2Q1g>.

When you arrive, please **park in the driveway if possible. If not, park on Dianne's side the street facing the direction of traffic.** The neighbors will appreciate this very much. Once here, walk around the right side of the garage, through the gate, and up the outside stairs. No need to knock... just come on in to the Studio. Welcome!
